I should like to express my appreciation to the Bulldog Staff and the entire student body for the wonderful cooperation which I have received in editing the Bulldog. The Bulldog has been a splendid asset to the school this year, and this would not have been possible without the efficient staff which I have had the pleasure of work-

ing with. I would also like to thank Mrs. Hampton, our sponsor, for her personal interest and perseverance. I have come to the conclusion that it takes the whole student body, working together with the staff to produce a fine paper such as the Bulldog of Tennessee Wesleyan College.

THE CHOIR

Both in classroom and out, the college furnishes excellent opportunities to cultivate and enjoy all of one's musical talents and abilities.

The College Choir, under the direction of Professor Jack Houts, has acquired an enviable reputation for having a complete repertoire of skillfully presented, highly entertaining, musical numbers with which the Choir has delighted audiences throughout the Southeast.

They have appeared with the Chattanooga Symphony Chorus and Orchestra in their presentation of outstanding works. Each spring the choir presents an outstanding musical production in its entirety, the last two being Victor Herbert's Broadway hit, "The Red Mill" and Sigmund Romberg's "The Desert Song."

RELIGION — A WAY OF LIFE AT TWC

Tennessee Wesleyan recognizes the importance of the study of religion, and in accord with this purpose, the religious program is full and enriching. Every Thursday morning we meet for chapel services dedicated exclusively to Christian Worship. The churches of Athens welcome us for participation in their services.

BULLDOGS ON THE GRIDIRON

The T. W. C. Bulldogs fought their way to the Co-Championship of the South-eastern Jr. College Conference. Although the season did not get under way until Oct. 6, a week after practice began they only dropped two games for the season. One to a Senior College and the other to the Co-Champs of the conference who met the Bulldogs on their first game of the season. Due to the fact that there are a number of freshmen remaining on the squal, T. W. C. should field a powerful eleven for the coming season.
